

CODE OF CONDUCT FOR VOLUNTEERS AND CARERS

Access Theatre demands a high standard of professionalism. To do this we require the following from all company members, carers and volunteers:

- 1. DBS checks for all volunteers and carers.**
- 2. Volunteers and carers to be aware of all the Access Theatre Policies and Procedures (available from the manager)**
- 3. Access Theatre is an all inclusive company and therefore we expect everyone to take part in all activities. If anyone feels their taking part in the session to be inappropriate we would politely ask if they remain outside of the session. There are many practical supporting tasks to help Access such as kitchen duties.**
- 4. Please respect the authority and experience of the practitioner and what they asking the company members to do.**
- 5. We appreciate good practice around time keeping**
- 6. Drama enables us to explore and express our deepest thoughts and feelings in a safe space. We require all carers and volunteers to adopt a positive attitude to this work and a non-judgemental approach.**
- 7. We ask people to restrict the use of mobile phones and other devises to the area outside the hall.**
- 8. We are open to discuss any issues relating to meeting this code of conduct as required.**

THANK YOU!
